I'm just a lonely boy
With fears dreams tears and joy
A mystic child
I wanna be a star
A man with all the power
Of the ultimate mind
I want to wear sunglasses and be not understood
I want to have an epitaph in Hollywood
Sometimes i don't wanna try
Sometimes i don't wanna cry
Don't grow up too, don't grow up too fast
I'm still a lonely boy
With fears dreams tears and joy
A mystic child
I wanna be a star
A man with all the power
Of the ultimate mind
I want to have a big red car a blonde girl by my side
I want to call my kids John and Marilyn
Sometimes i don't wanna try
Sometimes i don't wanna cry
Don't grow up too, don't grow up too fast
