"Long Lost Love"

I've been waiting for so long
to show you i can do something special
i still think that you're a sceptic
you'll realize that you're far from it
i need penitence
i will try to forget all the lies you've shouted
killing words you've said
get out of my mind
stay out of my life forever
i'll be there to throw you out
i'll be there to blow you away, no mercy
the lack of true love won't stop me from
self construction, some redemption
the lack of true love won't dissolve my
ambition and my expectations
i'll be there to throw you out
i'll be there to blow you away, no mercy
i've been waiting for so long
to show you i can do something special
i will try to forget all the lies you've shouted
killing words you've said
i'll be there to throw you out
i'll be there to blow you away from me, no
mercy
