Una soda por favor
Can't drink cervecas anymore
'Cause if I do I fear I'll fall down on the floor
Una soda por favor
Can't drink that anymore

¿Puedes darme la puerta?
Please point me to the door
And if you'd be so kind I swear that I won't puke on your
floor
¿Puedes darme la puerta?
Point me to the door
To the door

Come off a hard day of thinking
Just thought I'd do a little drinking
Now man the lifeboats
I think my ship is sinking, yeah

¿Quién es esa hermosa?
And who's that pretty girl standing there, by the door?
I think I knew her from a thousand years before
¿Quién es esa hermosa?
I need a little more
I need a little more
I need a little more
I need a little more
Hey, yeah!
Hey, yeah!
Yeah!
