Hey you
Are you all used up like me
Are you old and ?
You can barely see
Hey you
Are you all played out like me
Are you going off the tracks
You can barely breathe
Dye it black
Burn it clean
Where'd you get that evil streak
Kiss of death
Kiss of death
Whoa lips are stealing my breath
Kiss of death
Kiss of death
Whoa lips are stealing my breath
Hey you
Can ya spare some change for me
Cause there aint no pulse in my veins
Left that I can see
Hey you
Can you kill this trip disease
Can you fill my soul with the fire
That it used to be
Dye it black
Burn it clean
Where'd you get that evil streak
Kiss of death
Kiss of death
Whoa lips are stealing my breath
Kiss of death
Kiss of death
Whoa lips are stealing my breath
