She's a wrecking ball
Like a fever I burn faster
She she, She's gone faster
Her machine will make you weary
She she, she's gone faster
Her high-speed mind is what I'm fearing
Hold on to your ?
Hold on to your heart
Ready get set
Tear this place apart
Oh my god she's a wrecking machine
She burned my motor on my engine clean
Quit playin' dirty tricks single picks
She does it all
She's a wrecking ball
She's going down low to the fire
She she, she's gone faster
And I don't give a damn if it takes me higher
If she don't care bout elimination
She she, she's gone faster
Then I don't give a fuck its my bad reputation
Hold on to your ?
Hold on to your heart
Ready get set
Tear this place apart
Oh my god she's a wrecking machine
She burned my motor on my engine clean
Quit playin' dirty tricks single picks
She does it all
She's a wrecking ball
Wrecking ball
She's my wrecking ball
Oh my god she's a wrecking machine
She burned my motor on my engine clean
Quit playin' dirty tricks single picks
She does it all
Oh my god she's a wrecking machine
She burned my motor on my engine clean
Quit playin' dirty tricks single picks
She does it all
She's a wrecking ball
