Say goodbye
Love again
Love again
I don't want to
Want to,
Want to,
Want to.
Go in circles
Round the bend
Until we are just
Friends again
And then not even that
Sometimes I almost can recall what it was like before
we ever met
Sometimes not even that

I was carved - from your rib
From your rib
Dust to dust
To dust
To dust
To dust to
Go in circles
Round the bend
Until we are just
Friends again
And then not even that
Sometimes I almost can recall what it was like before
we ever met
Sometimes not even that
Go in circles
Round the bend
Until we are just
Friends again
And
Go in circles
Round the bend
Until we are just
Friends again
Until we are just
Friends again
