(Shook it up)

I never loved nobody fully
Always one foot on the ground
And by protecting my heart truly
I got lost in the sounds
I hear in my mind
All of these voices
I hear in my mind all these words
I hear in my mind all this music

And it breaks my heart
And it breaks my heart
And it breaks my heart
When it breaks my heart

Suppose I never, ever met you
Suppose we never fell in love
Suppose I never, ever let you kiss me so sweet and so soft
Suppose I never, ever saw you
Suppose you never, ever called
Suppose I kept on singing love songs just to break my own fall
Just to break my fall
Just to break my fall
Just to break my fall
Break my fall
Break my fall

All my friends say that of course it's gonna get better
Gonna get better
Better better better better better better better

I never loved nobody fully
Always one foot on the ground
And by protecting my heart truly
I got lost
In the sounds
I hear in my mind
All these voices
I hear in my mind all these words

I hear in my mind
All of this music
And it breaks my heart
And It breaks my heart

I hear in my mind
All of these voices
I hear in my mind all these words
I hear in my mind
All of this music
And it breaks my heart
And it breaks my heart
And It Breaks my Heart
When it Breaks my heart
But it breaks my heart
When it breaks my heart
Breaks my heart
And it breaks my heart
And it breaks my heart
And it breaks my heart
And it breaks my heart
