Come and open up your folding chair next to me  
My feet are buried in the sand and there's a breeze  
There is a shadow, you can't see my eyes  
And the sea is just a wetter version of the skies

Let's get a silver bullet trailer and have a baby boy  
I'll safety pin his clothes all cool and you'll graffiti up  
his toys  
I've got a perfect body but sometimes I forget  
I've got a perfect body 'cause my eyelashes catch my  
sweat  
Yes they do, they do

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Now I've been sitting on this abandoned beach for  
years  
Waiting for the salty water to cover up my ears  
But every time the tide come in to take me home

I get scared, now I'm sitting here alone dreaming of  
the dolphin song

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

Maybe one day you will understand

That I want nothing from you but to sweetly hold your  
hand  
Till that day just please don't be so down  
Don't make frowns, you silly clown

Just come and open up your folding chair next to me  
My feet are buried in the sand and there's a breeze  
There is a shadow, you can't see my eyes  
And the sea is just a wetter version of the skies

There is a shadow, you can't see my eyes  
There is a shadow, you can't see my eyes
