He never ever saw it coming at all
He never ever saw it coming at all
He never ever saw it coming at all

It's al-right, it's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right

Hey, open wide here comes original sin
Hey, open wide here comes original sin
Hey, open wide here comes original sin

It's al-right, it's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right

No one's got it all
No one's got it all
No one's got it all

Power to the people
We don't want it
We want pleasure
And the T.V.s try to rape us
And I guess that they're succeeding
Now we're going to these meetings
But we're not doin' any meetin'
And we're trying to be faithful but we're cheatin',
cheatin', cheatin'

Hey, open wide here comes original sin
Hey, open wide here comes original sin
Hey, open wide here comes original sin

It's al-right, it's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right

No one's got it all
No one's got it all
No one's got it all

Power to the people

We don't want it
We want pleasure
And the T.V.s try to rape us
And I guess that they're succeeding
And we're going to these meetings
But we're not doin' any meetin'
And we're trying to be faithful but we're cheatin',
cheatin', cheatin'

I'm the hero of the story
Don't need to be saved
I'm the hero of the story
Don't need to be saved
I'm the hero of the story
Don't need to be saved
I'm the hero of the story
Don't need to be saved

It's al-right, it's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right
It's al-right, it's al-right, it's al-right

No one's got it all
No one's got it all
No one's got it all
