How  
How can I forget you love?  
How can I never see you again?  
There is a time and place  
For one more sweet embrace  
And there's a time - ooh -  
When it all - ooh - went wrong

I guess you know by now  
That we will meet again somehow

How- ow, oh  
Oh baby how can I begin again?  
How can I try to love someone new?  
Someone who isn't you?  
How can our love be true  
When I'm not - ooh -  
I'm not over you?

I guess you know by now  
That we will meet again somehow

Time can come and take away the pain;  
But I just want my memories to remain:  
To hear your voice;  
To see your face;  
There's not one moment;  
I'd erase.  
You are a guest here now

So baby how  
Can I forget your love?  
How can I never see you again?  
How can I ever know  
Why I some stay, others go  
When I don't - ooh -  
I don't want you to go?

I guess I know by now  
That we will meet again somehow.

Time can come and wash away the pain;

But I just want my mind to stay the same:  
To hear your voice;  
To see your face.  
There's not one moment  
I'd erase.  
You are a guest here now.

So baby how  
Can I forget you love  
How can I never see you again?
