Oh, Marcello
How I wonder
La Madonna she tell the truth
She's been saying I'll have a baby
When he grow up he become a killer

I'm just a soul whose intentions are good
Oh lord please don't let me be misunderstood

Oh, Marcello
Never thought I'd really love you but I do so
My headwaiter's head on your platter
Just say the word and I'll make you kiss my gutters

I'm just a soul whose intentions are good
Oh lord please don't let me be misunderstood
