You don't know but that's okay  
You might find me anyway  
Don't you know that i  
Belong arm in arm with you, baby  
In a town that's cold and gray  
We will have a sunny day  
Don't you know that i  
Belong arm in arm with you, baby

I do not know  
Where does it go  
When it goes  
Suddenly though  
Everything's slow  
And i miss you so

Round each corner there's a chance  
People searching glance to glance  
Moving bout real fast  
Like insects and fish when they're scared  
And they sing the same old song

Though it's been so very long  
They sing, raindrops falling on my head  
But that doesn't mean that i am dead

And i do not know  
Where does it go  
When it goes  
Suddenly though  
Everything's slow  
And i miss you so

You don't know but that's okay  
You might find me anyway  
Don't you know that i  
Belong arm in arm with you, baby  
In a town that's cold and gray  
We will have a sunny day  
Don't you know that i  
Belong arm in arm with you, baby
