You don't know, but thats okay.  
You might find me anyway.  
Don't you know that I belong arm in arm with you, baby?

In a town thats's cold & grey,  
We will have a sunny day,  
Don't you know that I belong arm in arm with you, baby?  
Baby:)

I do not know where does it go when it goes,  
Suddenly though everything slows & i miss you soooo..  
'Round each corner there's a chance.  
People searching glance to glance.  
Moving very fast like insects & fish, scared.

& they sing the same old song  
Though its been so very long  
They sing raindrops ralling on my head,  
But that doesn't mean that I am dead.

I do not know where does it go when it goes,  
Suddenly though everything slows & i miss you soooo.  
You don't know, but thats okay.  
You might find me anyway.  
Don't you know that I belong arm in arm with you, baby?

In a town thats's cold & grey,  
We will have a sunny day,  
Don't you know that I belong arm in arm with you, baby?  
Baby..  
Baby..  
Baby..  
Baby..
