Imagine you and your partner Sailing on the seas You can sail for 10 days free South pacific breeze..oh

Put it off manana Let's go today Put it off manana Let's go today

My thought is a seed That grows into me And my fear is a cane I lean on when i'm sane

Put it off manana Let's go today Put it off manana Let's go today

I've sewn my mouth shut
So i can't talk to you
So i can paint a picture
To send to you
I think you'll get it tomorrow
I hope you like it
