Are you out there?  
Is that your voice I hear?  
Or is something else that troubles me  
That brings back all my fears?  
I've seen better ways  
And better days  
Looking forward  
Feeling stronger  
Moving on

There's nothing to regret

I surrender  
Why did I surrender?  
When you called my name  
When you said you'd stay

I surrender  
Why did I surrender?  
When you called my name  
When you said you'd stay

Just walk away  
Just walk away  
'Cause I don't wanna be here anymore  
Won't be your hero anymore  
Do you hear me  
Or am I talking to myself?  
Am I just rambling on or  
Do you wanna listen to someone else?  
I've seen better ways  
And better days  
Progress onward  
Feeling stronger  
Movin' on

There's nothing to regret

I surrender  
Why did I surrender?  
When you called my name  
When you said you'd stay

I surrender  
Why did I surrender?  
When you called my name  
When you said you'd stay

Just walk away  
Just walk away  
'Cause I don't wanna be here anymore  
Don't wanna be your hero anymore
