Here's the thing: there you go--
You don't see it, but I know
You could be my lover.

And all the fish in this sea,
They don't mean a think to me
'Cause I don't want no other.

Handsome boys, pretty girls...
There's nobody in the world
Who puts such silly thoughts in my head.
You're like butterflies and pizza pies,

And the copper pennies in your eyes

Are worth more than I could spend.
So, oh, my dear, dear friend...
Let's begin.
Let's begin.

Here we are, just me and you.
The only thing that I could do
Is wish you were my lover.
Days like this, I get by
Until my feelings multiply,
And you just pull me under.

Rockstar boys, fashion girls...
There's nobody in the world
Who keeps my starving heart fed.

You're like Ferris wheels and football fields,
And Heaven knows the way I feel
When your dancing though my head.
So, oh, my dear, dear friend...
So, oh, my dear, dear friend...
Let's begin!
Let's begin!

Let's begin!
Let's begin!

Let's begi-i-i-i-in!
Let's begiin!
Let's begiin.

So, oh, my dear, dear friend
Let's begin.
