The cast just sits for a while
While my imagination is cookin'
The cast just sits for a while
While I'm lookin' for you

And like a stranger you're gone again
And like a stranger you're gone again
I think I'll rest for while
'Cause I see you all the time

My ghost writer, my ghost writer

My ghost writer, you're gone again

Now the power is in me
Shall I own this new trophy?
Now the power is in me all the time

And my imagination is cookin'
And it's lookin' for you
Now my imagination is cookin' too, to my

My ghost writer, my ghost writer
My ghost writer, you're gone again
