Hey baby, don't you walk so fast

Hey baby, don't you walk so fast

The dream of another world

Haunted my head and sent me in a whirl

But honey, don't you walk so fast

And though you think the sky's gone gray

And love has just flown away

Hey baby, don't you walk so fast

'Cause you were right all the time

We love you baby, now your feeling fine

Say honey, don't you walk so fast

Not so fast, not so fast
