And I'm Sorry, Sandi {Yeah, yeah}  
Sometimes I call you on the phone-  
Because I'm tired of being alone  
But I think you're tryin to boss me  
And I get defensive-  
You've got good advice to give,  
I'm gonna listen sometime.

Refrain:

And I'm sorry, sorry, yeah, yeah, yeah  
And I'm sorry, sorry, yeah, yeah, yeah

Now the priveledge of closeness is very great-  
When you give that old cold shoulder,  
Then you're jailbait {You've gotta change!}  
Frustration runs high and you play the fool  
You just hafta "yell"  
Well it's a passing mood.

Refrain:

Now, I know you love me with all your heart-  
I'm just being myself, don't want to play that part  
But you can't walk on eggs everytime at all  
And I'd rather talk angry and still-  
Be glad I called.

Refrain:
