Ask Me A Question

Ask me a question, tell me no lies,
Do you see or are you blind?
What's going on inside your mind?
Tell me out loud what it is that you want to
Find out.

Everything will come in time-
Love has a reason and life has a rhyme.
Every flower has a smell
Even the Alamo fell, it's a long way down.

The pieces fit together like a jigsaw puzzle,
One minute up, the next minute down.
Sometimes I think life isn't worth the trouble-
One minute, a smile,
The next there's a frown-
I feel like a clown.

Ask me a question and tell me no lies-
Do you see or are you blind?
What's going on inside your mind?
Tell me out loud what it is that you want to-
Find out.
