I Am  
Reisa L. Gerber

You'll be standing there alone,  
You'll be singing out our bluish grayish dreams,  
While I'm hangin' out on the other side,  
Wondering if you're coming back for me.

Refrain:  
Because you are everything to me,  
You're my present, you're my future,  
You're my past  
Every several weeks, in the A.M.  
I am, I am

And there's no way to stop it,  
No there's no way to stop it  
If this gaseous ball of burning, churning  
funkish clay,  
Revolves around the center of the Universe  
They'll be showing reruns on  
Alpha Centaurus,  
Four hundred years from now!

Refrain:

So she said, 'Hey, babe, wouldja like to get  
hitched?'  
He said, 'I'll tell you what!  
Let's get the groom to take the  
horse out of the stable...  
And we'll just hitch him up  
To the post...okay?  
'And by the way, darlin',  
Tie a double knot in your P.F. Fliers,  
Or else you're gonna trip!  
And that old faded bluejean jacket  
your exboyfriend used to wear,  
Well, you need a small petite for yourself!  
And you better pay that kid back-  
For the food you took from the fridge!  
I know when you're blue, you overeat,

But this is ridiculous, baby!

Refrain:

Dedicated to Paul Simon: "tumba, tumba  
tumba....

Mardi Gras!"
