I Didn't Know if they were Voices

I didn't know if they were voices  
I didn't know if they were real  
I had a funky feeling I had E.S.P.  
I was "so and so" into digging on a sweet boy's  
Heart  
Like a lily of the valley  
Or a psychiatric chart.  
I said, "It's true! He's a public guy, trying  
Someone new"  
Like a dream or a funky feeling  
That must be unreality.  
But I take issue, he was gone with the dawn  
Yes, he split...looked like he flew the coop!  
"cheap, cheap", inside this song.  
So I called up my sister,  
I said, "Hey, Jude! I have fears!"  
She said, "Do you think I know the Beatles?  
So much for rock and movie theatres!"  
And I said, "In days of future past,  
I betcha you really do!"  
She said, "How am I gonna swing this thing?  
I haven't got a clue"-  
I said, "I leave in all regards if you really do-"  
And "I can't say "I love you" like" radar love"  
Said, too-"  
And so and so on as it goes,  
Dee-de-dee-dee-dee!  
I think my intuition is much more than  
Unreality!

Thanks for your nod on a controversial idea.  
You have been so kind...you get a lot of credit  
In my head.
