In Order to Make It  
Reisa L. Gerber

People have a tendency, they want to hide  
This natural thing!  
But it's a function of the race-  
On satin trimmed with lace

Chorus: In Order to make it, yeah, yeah, yeah  
In Order to Make it-  
Baby, do it, do it, you've got a need  
Yes, you have a need!

You try to walk away from it,  
But you can't escape its thundering sound,  
You just can't stop the process,  
It's a very natural thing!

You can do it silently, and keep the knowledge  
to yourself!  
You have to "let it out",  
What do they laugh about?

You've got a deadly shame upon your head-  
SH!!!!!!! Keep it under cover!  
Girl, you can't repress that-  
It aint within your power!

You've got a nose to sniff it out  
"Cutting one" with LOVE behind!  
It's an innocent release-  
It's the nature of the beast!
