Judy's Wedding Song {Another Original}

From the first time that I saw you,
I knew you were the One,
Who would take my soul to heaven,
And who would be my shining sun-

Refrain-

Let me love you
Baby, let me love you
Let me love you-
Be the One.

You looked at me with moonshine
I froze right to the floor
I wanted to be with you
Your heart I would adore!

Refrain-

We danced until the morning,
Babe, I knew without a doubt-
That I'd always have you near me-
I'd never be without you

Refrain-

Lucky Stars

I have hoped and I've prayed that someone good
Will come-
Yes, I've wished it with all of my heart
And I know those old lies-
Those hello's and goodbyes
But I knew this was real from the start

Refrain#2:

Everyday I count my lucky stars
Everyday I sing it to the sun
After so many years of having none, my love
I have you.

When you walked in the room
I couldn't take my eyes away
And each moment a look "I had to steal"
You really startled me, woke up a part of me
I never knew I could feel.

Refrain#2

One more lonely evening at the races
Playing one more bet for one more dime
But your love was the reason,
The tip of the season,
Babe, now I'm a winner for all time

Refrain #2:

This makes two songs in clarity. Thanks!
