My Baby Cubbins
Reisa L. Gerber

My baby cubbins was a dear old boy,
But I couldn't make my body talk,
Like the "shit" that lovers do-
I said, "Everytime you rock my heart,
to heaven, moon and stars above,
I'd be crying, "God",
it could be Judy's words,
And mamaf'in lvers, 2,3-"
And I said, "Cubbins, we're gonna be just fine-
From the first mindsight moment
That we met"
And we will!
He was so dam hurt inside
He thought I stole her coffee and lied.
And I said, "Man, I'm gonna sing "the freak"
And it may cause trouble,
And it may cause pain,
But I owe myself a walk in the cloudy rain.
And I said, "If you're feeling pain,
And it's not gonna end"-
If you feel like, then,
Man, say, "I no longer love you or want you
Nomore-"
Then I'll feel a little bit puzzled
As to what you're looking for.
But treat your mama and father right,
And take care of yourself,
And come see me-
And let's try to dsicover what you want-
From this "old man"....@

@this old man, he play two
he play knicknack on my shoes!
Thankyou for your consideration
