One

I took a trip into the back of my mind-  
To see what I might find  
A small memory came up at me from inside  
About what may have been "meant to be"-  
About the past  
And making changes inside-  
One of the friends I knew was doing something  
kind-  
She was lending me a dollar  
And I was putting it "behind me" in my mind-  
I was offering to "pay it back"-  
She said, "Never mind, it's okay",  
And I said, "Okay"-  
Later on  
I had a frenzy about the way I should have  
"paid it back"-  
Every penny that was lent to me-  
The culmination of that silly dollar-  
And now, from morning to evening, I holler-  
I would like to say "thankyou"  
Right out loud in front of everyone-  
And if I ever borrow a dollar again,  
I would "pay it back" (WITH CREDIT)  
to Cathie....And everyone said,  
"She pays up!"

Thankyou....includes quote
