Everybody's talking about a new kind of cookie
With a stamp on the left, like "Nabisco"s,
And everybody's saying, "It couldn't be so bad",
The signpost is sayin', "It was meant to be"
Predictions of songs to sing and find out...
It didn't really matter...
She didn't have to shout...
I would like to make sure that people are aware,
That something is going down-
Right under their nose-
Yes, right under their noses-
Meant to be debatable...
I think it was supposed to be written, in,
some. some, some,
part of me-
That I can't understand-
So, if we just get it down on paper,
I think it would be cool!
Looking all about them, someday in school-
Ready?

I Need a Lover
Midnight
Big Shot
One Toke Over the Line
Blind Faith
Jack and Diane
The Authority Song
Table Rock
Jail
Popstar
Bitch
Land Ho
Black Man
Cherry Bomb
Dirty Red Bandana
We All Shine On
The Wind
The Golden Calf/One

The Guitar/not written by me

Ashes to ashes and dust to dust
I would say that ...they are all important-
Thankyou very much.
