confidential: Lost Love has been switched to number 6 on "...High and Empty Time"

Sometimes a tight greenfisted head
In dollarsigns, in buckskin-
Suspended in its daily grind,
Until I scream out loud: "UNCLE"...baby
He zooms in real holyoke,
For directions on how to get out of Buddhapest-
And I had to smile- he said, "Go down"
"I see a SIGNPOST", baby! You bet!
A man in Jamaica had a shadow onhis back-
I draw lines to help me with the money deals
And such...deadlines and commitments...
Play truth all day with angels,
They concede, the darkness pops!
To play it on his new C.D.,
And tape it underneath the top..
Belying similarities...cassette...
But at least you must have some
"classed out" charms
With which to make a trade,
Even though it's not enough
To rock my soul all day-
With sweet and lovin' "nakes"...ya' know?
Many happy returns...
No-it's not okay.
