The Original Lucky Stars

I have hoped and I've prayed that someone good  
Will come-

Yes, I've wished it with all of my heart-  
And I know those old lies  
Those hello's and goodbyes,  
But I knew this was real from the start

Refrain:

Everyday I count my Lucky Stars  
Everyday I sing it to the sun.  
After so many years of having none, my love,  
I have you.

When you walked into the room,  
I couldn't take my eyes away,  
And each moment a look I had to steal  
You really startled me, woke up a part of me-  
I never knew I could feel.

Refrain:

One more lonely evening st the races,  
Playing one more bet for one more dime  
Your love was the reason, the TIP of the season  
And now i'm a winner for all time.....
