They're Reading My Mind

I don't watch television,  
Don't listen to the radio-  
I don't read the New York Times  
They'll bug my mind, I know!

Chorus:

They're reading my mind,  
I know they are!  
They'll tune me in from near and far  
And then they'll voice it on the air!  
They know my secrets everywhere!

I can't do a single thing  
Without the country tuning in!  
They'll broadcast over satellite  
They even know my dreams at night!

Chorus:

I mostly stay at home now,  
I don't go out and show my face  
I stay inside, I have to hide!  
I'm just a basket case!

Chorus:

Ridiculous play on parapsychology, but....  
"I'm the eye in the sky  
Looking at you!  
I can read your mind" ....Blue Oyster Cult....  
is older than me! so....  
Thankyou.
