Wine and Roses

Maybe this is the way you'd like it,
The way you'd like it to be-
I can't offer you wine and roses,
All I know is how I see it-
And this is what I saw.
But I know why you live your life in fantasy (no, why?)
And I know why you're not gonna come, back down,
And I know why you live your life in
Outer space (no, why?)
You don't hafta come face to face, no, no
You don't hafta come face to face, no, no
You don't hafta come face to face two faced, to face.

Wine and Roses

Maybe this is the way you like it, the way you
Like it to be-
I can't offer you wine and roses-
All I know is how I see it-
And this is what I saw
This is what I saw
But I know why you live your life in fantasy
{No, why?}
And I know why you aint gonna come back down
{back down, back down, girl}
I know why you live your life in outer space-
{no, why?}
You don't have to come face to face, oh no
You don't have to come face to face, no no
You don't have to come face, two-faced,
To face, two-faced, oh no
