Third times a charm
I wonder why I'm praying on
My hands and knees I'm healing out the stupid
Shit you made me see I've come so
Far forgetting pushing out my
Demons through poetic my
Therapy these pussies chasing me
Don't you leave the light on
æ... ¶us I don't know when that
I'll be home
I've meant no harm to me or
Anyone who helped me through this
Fucked up recovery you
Kept me company I'll never starve again
læŃ! feeding off my release and give you
Back to my Mary hey pussies look at me
Don't you leave the light on
æ... ¶us I don't know when that
I'll be home
You made me feel
You made me cry
You made me wonder
If youæŃ®e ever gonna come
Back home and pet your
Little boy and make my life
Where you been sitting on your healthy heavenly high
cloud
Kicking your legs like a little child again like a kid
Where you been cause weæŃ®e sitting here waiting
for you
To come home so we can be a family
Yes we can
I wanna gouge your shit talking eyes out
I wanna gouge them all out
You charmed me
Lost like a child at the mall læŃ! lost
You made me feel
You made me cry
You made me wonder
If youæŃ®e ever gonna come
Back home and pet your
Little boy and make my life
