Come, and Christ the Lord be praising  
Heart and mind to Him be raising  
Celebrate His love amazing  
Worthy folk of Christendom.

Sin, death, hell, may all be grieving  
Satan shame feel to him cleaving  
We salvation free receiving  
Cast our every care away.

See what God for us provideth  
Life that in His Son abideth  
And our weary steps He guideth  
From earth's woe to heav'nly joy.

His soul deeply for us feeleth  
He His love to us revealeth  
He Who is in the heavens dwelleth  
Came to save us from our foe.

Jacob's star His advent maketh  
Soothes the longing heart that acheth  
And the serpent's head He breaketh  
Scattering the powers of hell.

Op'd hath He and freedom gained us  
From the prison that contained us  
Where much grief and sorrow pained us  
And our hearts were bowed with woe.

O blest hour when we receiv'ed  
From the foe who us deceiv'ed  
Liberty, when we believ'ed  
And Thee, gracious Spirit, praised.

Beauteous Infant in the manger  
O befriend us! beyond danger  
Bring us where is turned God's anger  
Where with angel hosts we'll praise...
