Tempted and tried we're oft' made to wonder
Why it should be thus all the day long
While there are others living about us
Never molested, though in the wrong.

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brothers, live in the sunshine
We'll understand it all by and by.

Faithful to death is our loving saviour
A few more days labour and wait
Toils of the road will then be as nothing
As we walk through that beautiful gate.

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brothers, live in the sunshine
We'll understand it all by and by.

When we see Jesus coming in glory
When He comes from His home in the sky
Then we shall meet Him in that bright mansion
We'll understand it all by and by.

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brothers, live in the sunshine
We'll understand it all by and by.

Often I wonder why I must journey
Over a road so rugged and steep
While there are others living in comfort
While with the lost I labour and weep.

Farther along we'll know all about it
Farther along we'll understand why
Cheer up my brothers, live in the sunshine
We'll understand it all by and by...
