How shall a man stay pure  
But by living in Your Word  
I hide it in my heart  
As my guide from sin, O Lord.

And, Lord, I'll not forget them  
As I strive to follow You  
Your laws will e'er be with me  
In ev'rything I do.

Teach me, Lord. Teach me, Lord.

Ever my lips shall speak  
The greatness of my Lord  
Your laws are my delight  
My wealth, and my reward!

And, Lord, I'll not forget them  
As I strive to follow You  
Your laws will e'er be with me  
In ev'rything I do.

I'll be true. I'll be true to You...
