Selfless love
May the path of my life be
Selfless love
As I feel Your love in me.

As You lived, and as You died
That Your message might abide
May my life
Se selfless love.

Selfless love
May Your love be in my prayers.
Selfless love
It's the greatest gift we bear.

Lord, You taught us how to live
How to comfort, how to give
Let me share
Your selfless love.

Selfless love
May it guide all that I do
Selfless love
'Tis the test of all that's true.

Many truths are in Thy Word
Yet the greatest of these, Lord
It is love
Your selfless love...
