My doe my car my sanity  
You had it all girl (you had it all girl)  
My heart my hope girl my everything  
You had it all girl (you had it all)  
But still every thing that I gave up, some how it's not  
enough for you  
(You) Ms. never satisfied runnin with another guy  
Mmmmmhhhhmmm  
Well a Soiders tears burn  
And you live and you learn  
I know this much is true  
I'll never play this game again with you

(Chorus)  
This is your last ride  
Girl since you don't wanna act right  
I'm gonna go ahead and back it up  
Baby girl I'm in the wind  
This is your last ride  
Going back to that fast life  
And it's all because of you  
Look what you made me do

My walk, my talk, my swagger too  
All comin back girl (All comin back girl)  
Mmhhhhmmm  
Cause the baddest girls I ever turned away for you  
All coming back girl (All coming back)  
And to think everything that I gave up some how it's not  
enough for you  
(You) Ms. never satisfied, running with another guy  
Mmhhhhmmm  
Well a soilders tears burn  
And you live and you learn  
I know this much is true  
I'll never play this game again with you

(Chorus)  
This is your last ride  
Girl since you don't wanna act right  
I'm gonna go ahead and back it up  
Baby girl I'm in the wind

This is your last ride  
Going back to that fast life  
And it's all because of you  
Look what you made me do  
I didn't wanna go back (I didn't wanna go back)  
But you forced me to be the man I used to be  
You shouldn't of did it like that (oh baby)  
You just had to run the streets  
So no more you and me

(Chorus 2 xs)

This is your last ride  
Girl since you don't wanna act right  
I'm gonna go ahead and back it up  
Baby girl I'm in the wind  
This is your last ride  
Going back to that fast life  
And it's all because of you  
Look what you made me do
