(feat. Jay-Z)

[Jay-Z]

Uh huh uh, ji ji

Roc-a-Fella y'all

Jigga, Rell, nine-eight edition

This is Roc-a-Fella for life, this is Roc-a-Fella for life

This is Roc-a-Fella for life, this is Roc-a-Fella for life

I play my parts with the honies hard

It's gotten even worse now that the money's washed

Like a letter y'all, the nine-eight find me straight

Good health, can't complain about my financial state

What else? I guess tomorrow knows

I run through chicks like borrowed clothes

I'm the type of nigga your father oppose, never test Jay

You follow the code, ese, on my best day

I'm like God with a blow, bless me

[Rell]

Baby, why are you chasing that man?

Knowing that he can't, love you like I can

I guess you'd rather chase, instead of feeling

what's real inside, I got to thinking

And I hope you realize (all this love for free)

(Better come and get it soon) Hurry hurryahahyyy

(Please, don't take too long) I want your love babe

(Before it's all gone, I just wanna put you on)

The apple of my eye, sweet cherry surprise

Let me up inside, of your body tonight

There's so much that we can do

and I'll do you, know how much I wanna

taste your lovin, so good (all this love for free)

(Better come and get it soon) Hurry baby

(Please, don't take too long) Cause I want your love

(Before it's all gone, I just wanna put you on)

(Hurry hurry hurry, hurry baby cause I can't wait)

(Hurry hurry hurry, cause later on might be too late)

Gotta hurry (Hurry hurry hurry, tell me whatcha gonna do)

(Hurry hurry hurry, there's too many dimes for me to choose)

Baby you got me (got me goin)
Goin round in circles (tell me why)
And I can't explain whyaayyyy (I need your love)
Can't get enough of your love

[Jay-Z]

Yea yea yea

In the SL with Rell, music at a high decimal
Mami frontin, touchin buttons like she spec-ial
cause she sex well, in the best tell, rapper filla cartel
Excel-ing like Hyundai, Sunday to Sunday
it's for the nachoes, come out the clothes
And baby girl if it's Hammer time, then hide your toes
The game cold like, five below, but once inside the
show
we to' it down
