When your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you
I pretend that you're already mine
That my heart ain't breaking every time I look into your
eyes

If only I can get thru this
If only I can get thru this
If only I can get thru this
God, God, You gotta help me get thru this

I gotta get thru this, I gotta get thru this
I gotta make it, gotta make it, gotta make it thru
Said, I'm gonna get thru this, I'm gonna get thru this
I gotta take my, gotta take my mind off of you

Give me just a second and I'll be alright
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay
Just another day and then I'll hold you tight

When your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you
I pretend that you're already mine
That my heart ain't breaking every time I look into your
eyes

If only I can get thru this
If only I can get thru this
If only I can get thru this
God, gotta help me get thru this, woah you

I gotta get thru this, I gotta get thru this
I gotta make it, gotta make it, gotta make it thru
Said, I'm gonna get thru this, I'm gonna get thru this
I gotta take my, gotta take my mind off of you

Give me just a second and I'll be alright
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay

Just another day and then I'll hold you tight

When your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you
I pretend that you're already mine
That my heart ain't breaking every time I look into your
eyes

If only I can get thru this
Oh, Lord if only I could get thru this
If only I can get thru this
God, God You gotta help me get through this

I gotta get thru this, I gotta get thru this
I gotta make it, gotta make it, gotta make it thru
Said, I'm gonna get thru this, I'm gonna get thru this
I gotta take my, gotta take my mind off of you

Give me just a second and I'll be alright
Surely one more moment couldn't break my heart
