I live in a nice house ah
I never do dance salsa
I'm livin' in Jamaica
I live in an ice breaker
I'm livin' in Africa
I never do know where ah
Where I'm livin' but I'm livin' in a free fall

Whenever she goes away
Might as well be in San Jose
'Cause I never can tell where my
Where my heart's gonna spend it's time
Half of me is missin'
I miss her kissin'
I don't know nothin' but I know

She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday

She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday

My head is a hurricane
My heart is a touch insane
And my body can't sleep to dream
And my eyes open up to scream
And my mouth is a thin straight line
As I'm struggling to pass the time
And my crime is that I'm livin' life without her

And the morning soon will come
And the days only almost done
And the clock says it's half past five
But the sun is still in the sky
Disorientated
Insatiated
How long I've waited but I know

She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday

She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday

My head is a hurricane
My heart is a touch insane
And my body can't sleep to dream
And my eyes open up to scream
And my mouth is a thin straight line
As I'm struggling to pass the time
And my crime is that I'm livin' life without her

And the morning soon will come
And the days only almost done
And the clock says it's half past five
But the sun is still in the sky
Disorientated
Insatiated
How long I've waited but I know

She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday
She's comin' back on Friday

She's comin' back on Friday
(Friday)
She's comin' back on Friday
(Friday)
She's comin' back on Friday
(Friday)
She's comin' back on Friday

She's comin' back on Friday
(Friday)
She's comin' back on Friday
(Friday)
She's comin' back on Friday
(Friday)
She's comin' back on Friday
