Mmmm  
Mmmm  
Hey

The Grim Reaper tried to waste me  
The almighty swayed his side  
It freaks me out but mostly  
I?m just glad to say

I am alive  
I am alive  
I am alive

I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo doo

I didn?t die  
I?m still alive

I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo doo  
I?m not dead  
Doo doo doo doo

You know when you?re called  
You know when you?re called  
You come when you?re cold  
You come when you?re cold
