More Than Friends - 3LW

Sometimes i wish
we were more than just friends
I know that i'm dreaming
cuz your crazy bout her
Sometimes i wish
that the time that you spend with her
was with me instead
i wish we could be more than friends

It's time to let you know
just how i feel
about ya baby (that's right)
you drive me crazy
if she'd ever let you go
then you know the deal
boy you would be mine
till the end of time

It's the same dream
over and over
I can see us walking and
holding hands
You and me
closer and closer
if everthing was different
you'd be my man

Sometimes i wish
we were more than just friends
I know that i'm dreaming
coz your crazy bout her
Sometimes i wish
that the time that you spend with her
was with me instead
i wish we could be more than friends

Waking up to the morning each day
I think of you and how i wish
i was that special girl in her place
everytime you see me

with a smile on my face
i just can't help but wish
for the day

It's the same dream
over and over
I can see us walking and
holding hands
You and me closer and closer
if everthing was different
you'd be my man

Sometimes i wish
we were more than just friends
I know that i'm dreaming
coz your crazy bout her
Sometimes i wish
that the time that you spend with her
was with me instead
i wish we could be more than friends

more than friends, more than friends,
more than friends, more than friends,
more than friends,

that's right
