Broken hearts
Broken dreams.

There just some things that
Love brings.
When you learn
That it's all
Been a lie.
You cry.
You find out.

Nothing
Nothing
Nothing hurts like love.
Nothing brings your heart so much pain
And you'll never learn till you get burn till you're burned
by the flame.

Nothing hurts so bad.
Nothing hurts so much.
No nothing hurts...
Like love.

So you gave
All had.
How'd the story turn so sad?
Nothing left
But the tears
In your eyes.
You die
Inside cause...

Nothing
Nothing
Nothing hurts like love.
Nothing brings your heart so much pain
And you'll never learn till you get burn till you're burned
by the flame.

Nothing hurts so bad.
Nothing hurts so much.
No nothing hurts...

Like love.

So dry your eyes it's just your turn to learn.
Your time to find that nothing...
Nothing.
Nothing nothing.

Nothing nothing.

Nothing hurts like love.
Nothing brings your heart so much pain
And you'll never learn till you get burn till you're burned
by the flame.

Nothing hurts so bad.
Nothing hurts so much.
No nothing hurts...
Like love.
