(Buck/Mills/Stipe)

I watched you fall  
I think I pushed  
Maybe I'm crazy  
Maybe diminished  
Maybe I'm innocent  
Maybe I'm finished  
Maybe I blacked out  
How do I play this?

I will give my best today  
I will give myself away  
I have never hurt anything  
Is the jury wavering?  
Do they know I sing?

Maybe I'm crazy  
Maybe diminished  
How do I  
How do I play this?  
Jealous lover, self defense  
Protective brother, chemical dependence  
I'll consult the I-Ching  
I'll consult the TV  
Ouija, oblique strategies  
I'll consult the law book for precedents  
Can I charm the jury?

(chorus)

I will give my best today  
I will give myself away  
I have never hurt anything  
Is the justice wavering?  
Does she know I sing  
That song?  
Sing along (I will never hurt anything)  
Sing along (I will never hurt anything)  
Sing along (I will never hurt anything)

I watched you fall

I think I pushed  
Maybe they'll see me  
Maybe they'll say,  
"I can see the truth in his statement  
Smallpox blanket? No way"  
Can I charm the jury, my defense?  
Maybe I'm crazy  
Maybe diminished  
Maybe I loved you  
Baby I loved you  
Baby I loved you  
Baby I'm finished

(repeat chorus)

I have given myself away  
I have given my best today  
I have never hurt anything  
Is the justice wavering?  
Does she know I loved you?  
Does she know I loved you?  
Does she know I sing?
