I dragged my feet across a seat  
Jumped out the passenger side  
The only thing worth looking for  
Is what you find inside

But that had not yet appeared  
Lost invisible here.

Tel Aviv and Agadir  
Tone deaf for almost

Before I learned to see  
The vanishing point appeared.

I looked for you everywhere  
I looked for you everywhere.

There is a calm I haven't come to yet  
I spent half my life figuring what comes next  
I telescoped in I finally win  
I finally win the prize

That now eyes see comets perfect timing squeeze  
Head first fighting everything  
The crushing force of memory  
Erasing all I've been  
The vanishing point appeared.

I looked for you everywhere.  
I looked for you everywhere.  
Tell me why you're here.  
I came to disappear.

Look at this face  
Can you believe it?  
Am I living in the beautiful vacuum?  
Because I can't see it  
The vanishing point appears.

I looked for you everywhere.  
I looked for you everywhere.

Tell me why you're here.  
I came to disappear.  
Tell me why you're here.  
I came to disappear.  
I came to disappear.
