That's great it starts with an earthquake
Birds and snakes and aeroplanes
And Lenny Bruce is not afraid

Eye of a hurricane, listen to yourself churn
World serves it's own needs, dummy serve your own
needs
Feed it off an aux speak grunt no
Ladder with a clatter fight, fear flight down height
Wire in a fire representing seven games and a
government for hire in a combat site
Left of west and coming in a hurry with the furies
breathing down your neck

Team by team reporters baffled, trumped, tethered,
cropped
Look at that low playing, fine, then
Uh-oh overflow, population common food, but it'll do
Save yourself, serve yourself, world serves it's own
needs
Listen to your heart bleed dummy with the rapture and
the revered and the right, right
Vitrealic, patriotic stand, fight, bright, light
Feeling pretty psyched

It's the end of the world as we know it
It's the end of the world as we know it
It's the end of the world as we know it
And I feel fine

Six o'clock TV hour, don't get caught in foreign towers
Slash and burn, return, listen to yourself churn
Locking in, uniforming, book-burning, blood-letting
Every motive escalate, automotive incinerate
Light a candle, light a votive, step down step down
Watch your heel, crush, crushed uh-oh this means
No fear cavalier, renegade, steer clear
A tournament, a tournament, a tournament of lies
Offer me solutions, offer me alternatives
And I decline

It's the end of the world as we know it
It's the end of the world as we know it (It's time I had
some time alone)
It's the end of the world as we know it
And I feel fine

I feel fine

The other night I dreamt of knives, continental drift
divide
Mountains sit in a line, Leonard Bernstein
Leonid Brezhnev, Lenny Bruce and Lester Bangs
Birthday party, cheesecake, jellybean, boom you
Symbiotic patriotic slam book neck
Right? Right!

It's the end of the world as we know it
It's the end of the world as we know it (It's time I had
some time alone)
It's the end of the world as we know it
And I feel fine

I feel fine
