That's great, it starts with an earthquake, birds and  
snakes, an aeroplane-  
Lenny Bruce is not afraid. Eye of a hurricane, listen to  
yourself churn-  
World serves it's own needs, don't misserve your own  
needs. Feed it up a knock,  
Speed, grunt no, strength no. Ladder structure clatter  
with fear of height,down hight Wire in a fire,  
representing seven games in a government for hire  
and a combat site. Left her, wasn't coming in a hurry  
with the furies breathing down your neck. Team by  
team reporters baffled, trump, tethered, crop. Look at  
that low plane! Fine, then. Uh oh, overflow, population,  
common group, but it'll do.Save yourself, serve  
yourself. World serves it's own needs Listen to your  
heart bleed. Tell me with the rapture andthe revered  
and the right - right.You vitriolic, patriotic, slam, fight,  
bright light,feeling pretty psyched

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine

Six o'clock - TV hour. Don't get caught in foreign  
towers.Slash and burn, return, listen to yourself churn.  
Lock him in uniform and book burning, blood letting.  
Every motive escalate. Automotive incinerate.Light a  
candle, light a motive. step down, step down. Watch  
your heel crush, crush. Uh-oh, this means no fear-  
cavalier. Renegade steer clear! A tournament, a  
tournament, a tournament of lies.  
Offer me solutions, offer me alternatives and I decline.

(chorus)

It's the end of the world as we know it  
It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it and I feel fine  
It's time I had some time alone)  
I feel fine

It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)

The other night I tripped a nice continental drift  
divide. Mountains sit in a line. Leonard Bernstein,  
Leonid Brezhnev, Lenny Bruce and Lester Bangs.  
Birthday party, cheesecake, jelly bean, boom!  
You symbiotic, patriotic,  
Slam, but neck, right? Right

It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)

It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)

It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it  
(it's time I had some time alone)  
It's the end of the world as we know it and I feel fine  
(it's time I had some time alone)  
(fade)
