(Berry/Buck/Mills/Stipe)

Laocoon and her two sons
Pressured storm, tried to move
No other more, emotion bound
Martyred, misconstrued

(chorus)

Lighted in a room, lanky room
Lighted, lighted, laughing in tune
Lighted, lighted, laughing

Laocoon and her two sons
Run the gamut, sated view
Know them more, emotion bound
Martyred, misconstrued

(repeat chorus)

In a room, lock the door, latch the room
Lighted, lighted, laughing

Laocoon and her two sons
Ran the gamut, settled new,
Find a place fit to laugh,
Lock the doors, latch the room
Lighted in a room, lanky room
Lighted, lighted, laughing in tune
Lighted, lighted, laughing in tune
Lighted, lighted, laughing in tunes
Lighted, lighted, laughing
