(Berry/Buck/Mills/Stipe)

He's not to be reached, he's to be reached  
He's not to be reached, he's to be reached

Called the fool and the company,  
On his own where he'd rather be  
Where he ought to be, he sees what you can't see,  
can't you see that?

(chorus)

Maybe he's caught in the legend,  
Maybe he's caught in the mood  
Maybe these maps and legends  
Have been misunderstood

Down the way the road's divided,  
Paint me the places you have seen  
Those who know what I don't know  
Refer to the yellow, red and green

(repeat chorus)

He's not to be reached, he's to be reached  
He's not to be reached, he's to be reached  
He's not to be reached, he's to be reached

The map that you painted didn't seem real  
He just sings whatever he's seen  
Point to the legend, point to the east,  
Point to the yellow, red and green

Maybe he's caught in the legend,  
Maybe he's caught in the mood  
Maybe these maps and legends  
Have been misunderstood, been misunderstood

Is he to be reached? He's not to be reached  
Is he to be reached? He's not to be reached  
Is he to be reached? He's not to be reached anymore
