"Redhead Walking"

Out there are silver dressed darlings
And ramen mein delights
When ginger hair gets all fired up
She beats them in the night
That redhead walking, uh

Don't get close
She'll warn you with her growl
She's a bud cuttin', star studded, leather chested girl
Out there a redhead walkin'
Redhead walkin'
The redhead walkin'
Better listen keep your distance from the crimson
crime warpath

O kiss that girl
Kiss that girl
Kiss that girt

Yeah, she'll cut your heart like diamonds
End of story
You bet you're gonna lose it to that hellbound crimson
glory

There ? a redhead walkin'
A redhead walkin'
A redhead walkin'
Heed what this wise man says
Keep away from redheads?
